Vicarage Note

Remembrance

As we gather this Remembrance Sunday, we pause to remember with gratitude and sorrow all those who have given their lives in the service of others. We remember the courage and sacrifice of generations past, those who returned from conflict carrying wounds both seen and unseen, and all those who continue to live with the consequences of war today. We also remember the families and communities whose lives have been changed forever by loss. As we reflect on their sacrifice, we pray for a world where peace may flourish and war be no more.

In John 1:1–5, 9–12, we are reminded that Christ is the true Light, a light that shines in the darkness, and that the darkness has not overcome it. These words offer a powerful message of hope in a world that can so often seem overshadowed by conflict, hatred, fear and suffering. Christ came into our darkness, bringing the light of God's love, the promise of redemption and the assurance that evil and despair would not have the final word. His light continues to shine, even in the darkest of times.

Remembrance is not simply about looking back at the events of history. It is also an invitation to consider the world in which we live today, and the part each of us has to play in shaping its future. As we remember those who gave so much in the hope of a better and more peaceful world, we also consider how we can help to make that hope a reality. The darkness of war may seem far removed from our everyday lives, yet darkness can also be found in prejudice, intolerance, unkindness, injustice and indifference to the suffering of others.

As followers of Christ, we are called not to allow that darkness to overcome the light. We may not be able to resolve conflicts between nations or bring an end to every injustice, but we can choose how we treat those around us. Through acts of kindness, words of encouragement, forgiveness where there is hurt, and a willingness to stand alongside those who are vulnerable or excluded, we can reflect the light of Christ in our homes, our church and our wider community. Small acts of love and peace may seem insignificant, but together they can make a real difference.

This Remembrance Sunday, as we stand in silence and remember those who made the ultimate sacrifice, may we do more than honour their memory. May we renew our commitment to peace, reconciliation and compassion, recognising that the responsibility for building a better world belongs to us all. May we carry the light of Christ into the days ahead, allowing it to guide our words, our choices and our actions and may we each play our part in Remembering together.

WHAT FUTURE FOR OUR RURAL CHURCHES?

A talk by Dame Fiona Reynolds, High Sheriff of Gloucester

Thursday 12th November 7pm,
at the Royal Agricultural University, Cirencester

In this challenging lecture, Dame Fiona will argue that our precious and unique heritage of church buildings is in danger of being lost with many dependent entirely on declining congregations to maintain them. This talk will explore some possible solutions.

£12 in advance or £15 on the door, to include a glass of wine and nibbles from 6pm

Book online at www.ghct.org.uk or use this QR code:

This event is being organised by Gloucestershire Historic Churches Trust, which supports the repair and improvement of churches in the county.

Andoversford Parish Council

Draft Local Plan Update

Councillor Baxter has done a great job of reviewing the Draft Local Plan to understand how Andoversford could be affected by the proposals. The review is available on the Parish Council website at www.andoversfordparish.gov.uk/minutes. Of particular interest to the village, the current Draft Local Plan still identifies 52 houses on the land behind the Village Hall, with access still proposed via Crossfields. The Parish Council has not received any further information or updates regarding any development yet, and there are currently no known timescales for when any development may progress.

Village Gates

We are hoping that Gloucestershire Highways will shortly approve the installation of the new white village gates at the three entrances to Andoversford. Once approval is granted, we hope the work can get underway and we are currently looking for a suitable contractor to carry out the installations. As the work will take place on the highway, the contractor must hold the appropriate CDC Streetworks licence.

Sports Field and Pavilion

The Cricket Club are hoping to submit an application to Cotswold District Council for Community Infrastructure Levy (CIL) funding. The aim is to regenerate the Sports Field pavilion, with the existing changing facilities now becoming outdated, as well as improving the wider Sports Field area, including the play park.

More information will be shared with the village as the proposals develop and if grant funding is accepted. The Parish Council are fully supportive of this grant application.

Other news

A resident recently enquired whether the Parish Council are considering an Emergency Preparedness Team. As the Parish Council do not own any community spaces (apart from the bus shelters!) we are considering a voluntary sign up to an Emergency WhatsApp group - for anyone with any useful resource - such as a 4x4 vehicle or First Aider Training - and who would be willing to help out the village in any emergency, such as extreme weather. If you are interested in this please email the parish council at clerk@andoversfordparish.gov.uk

Next Parish Council meeting is 12th November at 7.30pm in the Committee Room, Andoversford Village Hall. Please do contact us if you are interested in joining the Parish Council.

Clerk to Andoversford Parish Council

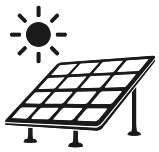

Village News

Community Church Solar Panel Project

One of the major costs of running the Community Church in Andoversford is electricity, at about £1,500 per annum. Added to that, it's appropriate that we react to the global climate emergency by striving for 'net zero' in as many of our Benefice buildings as possible, and the Community Church is an obvious candidate.

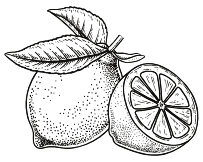

We have agreed to proceed with a scheme to install a single row of panels on the south-facing roof of the building and install a single battery. Some building works will be required. The total cost is approximately £14,690, of which £6,500 is already available. The estimated effect (based inevitably on numerous assumptions that are based on national experience) is that our cost will become an income stream because surplus electricity will be exported to the National Grid.

If you'd like to contribute to the fund to achieve this aim, please contact our Benefice Administrator by emailing colnriver@btconnect.com or by ringing the office on a Tuesday morning. Vicky will assist you confidentially... and please remember that Gift-Aid adds 25% to your gift if you are a taxpayer.

Please continue to support the North Cotswolds Foodbank

Donations of tinned or packaged food gratefully received.
Please leave in the porch at:

- The Community Church, Andoversford
- St. Oswalds Church, Shipton
- St. Andrew's Church, Sevenhampton

They are currently short of:
Rice pouches, baked beans, pasta, tinned fish, custard, sweet and savoury snacks, toilet rolls, packet sauce mixes, stock cubes, cooking sauces, tinned meat and rice pudding
They have plenty of:
Hand / liquid soap, baby food, baby toiletries, cereals, toothpaste and toothbrushes
NB: Donations of infant formula are not accepted

Cobalt Medical Charity Update

Now as the days turn cooler, we are turning towards what is happening later on in the year...

Sunday 6th December, 10.30am - Reindeer Run!
Join us at Reeves Field, Cheltenham, on Sunday 6 December 2026 at 10.30am for a festive fun run to kick off the holiday season. This is a family-friendly 2.5K event – perfect for all ages – where you can run, jog, or walk at your own pace. It's the ideal way to get into the Christmas spirit together. Book online for early bird tickets.

Monday 21st December, 6.30pm - Christmas at Cobalt, Cheltenham College Chapel
Experience a truly magical evening at Cheltenham College Chapel, where festive lights, seasonal music, and community spirit come together in a stunning historic setting. Be greeted by live reindeer on arrival, adding a touch of Christmas enchantment from the very first moment. Settle in for an uplifting programme featuring performances from the Churchdown Male Vocal Choir, beautiful live musical interludes, and a selection of heartwarming Christmas readings that capture the joy and meaning of the season. The evening will be warmly hosted by BBC Radio Gloucestershire's Nicky Price, bringing charm, humour, and a wonderful festive atmosphere. Book online for early bird tickets.

These events help raise valuable funds for Cobalt and provide important support for patients and services within the local community.

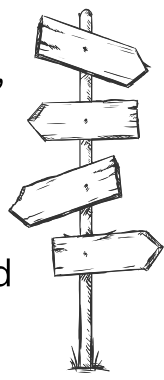

Cobalt Christmas Cards
Available online, at Linton House, and later on in the year at normal Cobalt Card stockists.

Fitness Classes in Brockhampton Village Hall

Are you looking to improve your strength and fitness?
Why not join our friendly fitness classes every Tuesday from 11-12 at the Rhodes Memorial Hall, Brockhampton.
Classes are suitable for all fitness levels and abilities. They are fun and varied (combining cardio, light weights, balance exercises and mat work) and will leave you feeling energised and strong.
If classes aren't for you, I also offer Personal Training sessions, tailored to suit your own requirements.
For more information please contact kate@cotswoldwellness.co.uk or 07779 121447

GECKO ROOFING LTD

GET YOUR ROOF READY

Protect your home. Improve comfort. Stay one step ahead.

Book your FREE roof inspection and give your home the care it deserves.

WHAT WE CHECK

01 Complete gutter & downpipe inspection

02 Roof repairs, slipped & cracked tile replacement

03 Loft insulation, ventilation & mould assessment

04 Moss removal and preventative roof treatments

05 Roof maintenance to help extend the life of your roof

A warmer, healthier, better protected home

Good roof maintenance isn't just about preventing leaks. Proper insulation and ventilation can improve energy efficiency, reduce condensation and help keep your home more comfortable throughout the year.

Don't wait for the bad weather to find a problem.

FREE ROOF HEALTH-CHECK
